

International Conference of Geriatrics – 2024

19th & 20th April, 2024

Theme:

Healthy Ageing, Age Gracefully.

This Conference provides a wonderful opportunity for Health Care Professionals to learn and exchange Knowledge from experts in the field of Geriatrics.

It also offers an excellent platform for researchers, to share their research findings to encourage further research in the field of geriatrics.

It offers a chance for Health Care Professionals to expand their network, a crucial aspect for Geriatrics, which remains a relatively nascent specialty in India.

To care for those who once cared for us is one of the highest honors.”

-Tia Walker -

Venue:

Sri Siddhartha Medical College, Tumkur, Karnataka.
