HEALTHCARE WITH A HEART:

Our founder, Shri Late: Dr. H.M. Gangadharaiyah, envisioned creating hospital in Tumkur, Karnataka, India where the poor and the rural masses could have access to advanced medical care in an atmosphere of love and compassion.

ABOUT SSMC

Sri Siddhartha Medical College & Research Centre brings together a dedicated team of physicians, nurses, and other healthcare professionals to provide the highest standards of medical treatment. Our extensive infrastructure comprises modern operating theatres, 1055 beds, including comprehensively equipped intensive care beds.

OBJECTIVE

This Citizen’s Charter is an expression of our commitment towards improving our services offered to make them more efficient and responsive and at the same time making our working more transparent to our valued patients. This Citizen’s Charter is an attempt to bring the institute closer to its patients in the society. This Charter is made to provide a framework, which enables our users to know:

- What services are available in this institute?
- The quality of services they are entitled to.
- The means through which complaints regarding denial or poor quality of service will be Redressed.
MISSION
The institute’s mission is – TO REACH THE UNREACHED - to provide outstanding and affordable medial care in a patient friendly environment and in a spirit of compassion to all, regardless of race, caste, religion etc. SSMC is a organization dedicated to establishing a center of excellence in health care and improving the well-being of the community through quality programmes of preventive medicine, medical education and research
